The husband had just finished reading a new book entitled, "You Can Be THE Man of Your House." He stormed to his wife in the kitchen and announced, "From now on, you need to know that I am the man of this house and my word is Law. You will prepare me a gourmet meal tonight, and when I'm finished eating my meal, you will serve me a scrumptious dessert. Afterwards, you are going to draw me a bath so I can relax. You will wash my back and towel me dry and bring me my robe. Then, you will massage my feet and hands. Then tomorrow, guess who's going to dress me and comb my hair?" The wife replied, "The funeral director would be my first guess."

## Our God is and Awesome God:

He comes in to our lives to stay forever, he is like a home improvement man . He fixes all defects in our lives. He began to restore those relationships that has been torn down and cast aside. Everything that he does, you can always recognize HIS touch. I am so glad I heard his voice when he called me to be one of his

very own. He is not finished with me yet. I am still a wretched broken do wretch, but if you look closely you can began to see the changes and the healing that has taken place in my life. Do you ever stop and think. What if he had just left me like I was? Do you know the dogs would not even bother with me.

Praise be to God!!!!!!! He counted me worthy. we should be making notes of how we are acting. We should be filled with joy and laughter. Let's plan to stay this way

Let's become that person who is so filled with joy 365 days a year. God gives us his best gifts , and we take one day to celebrate his goodness I am going to spend every last minute consciously shouting about "THE GOD THAT I SERVE" and I welcome you to come and join in with me as we celebrate the kind of LOVE that Jesus HAS for us.. (mind you there is no past tense in this sentence)

So go ahead and SHOUT to the LORD!!

So go ahead and SHOUT TO THE LORD.....I going to.

**Our travel takes us all over the State Ohio**

We have been out on the road more than 125 times in 2009. Of course I did not count into this the extra days when Chaplain had cancellations and asked us to come to minister. Our times together on these trips has been tremendous. I watch the love fly AS the team lift up, comforts, pray for each other and you. Some trips are pretty much just prayer meetings in the van, other times we have a live concert and of course there are the times when we are quiet and just glory in God's embrace. It is all worth it to spend time with you in his service, visiting and ministering to you. And we thank you for your attendance and willingness to help and share with us. Please keep those letters and prayer request coming we read and pray over each one. Looking forward to serving you in 2010.

**THE CROSS IN MY POCKET**

I carry a cross in my pocket  
A simple reminder to me  
Of the fact that I am a Christian  
No matter where I may be

This little cross isn't magic  
Nor is it a good luck charm,  
It isn't meant to protect me  
From every physical harm.

It's for the identification  
For all the world to see,  
It's simply an understanding  
Between my Savior and me.

When I put my hand in my pocket  
To bring out a coin or a key,  
The cross is there to remind me  
Of the price He paid for me.

It reminds me too, be thankful  
For my blessings day by day  
And strive to serve Him better  
In all that I do or say.

It's also a daily reminder  
Of peace and comfort I share,  
With all who know the Master  
And give themselves to his care

So, I carry a cross in my pocket  
Reminding no one but me  
That Jesus Christ is Lord of my life  
If only I'll let him be
